### **Present**

#### **1. Call for Order**

The meeting was called for order at: 15:51

#### **2. Confirming the Quorum and Legality of the Meeting**

A quorum is present, and the meeting is legal.

#### **3. Approval of the Agenda**

The agenda was approved.

#### **4. Announcements**

No announcements.

#### **5. Matters considering the Autumn semester**

##### **Excursion to Turku:**

- Best would be to organize the Excursion at the beginning of September, when there are no exams yet and people could get to know each other.
- Leyla keeps in touch with the contact person from HiLIFE, and the representative from Biocity Turku.
- Lilla will ask Tiina if it's possible to get a day off from studies to organize it on a weekday.
- We need to think about transportation options and calculate a tentative schedule and budget (all of us)

##### **Orientation for new students:**

There is a possibility to advertise our organization at the Check-in Event for new students and at the Fresher Adventure, both in September, where we consider applying.

## **6. Nordea**

We need to sign the papers and change some details on the Spring Meeting minutes, since the name change still hasn't been done. Lilla and Leyla will meet Ravi in the coming days.

## **7. Vappu**

Only 2 people were present. People probably wish to spend this day with their friends from bachelor's or high school, so it is to be reconsidered whether we organize it in the future or not.

## **8. Symbioosi, GangLion and Impactus sauna event**

Ravi was the contact person for this event, and Leyla advertised it for our members on Instagram and WhatsApp.

## **8. Any other Business**

- Leyla will most likely not return to Finland in the Autumn, so we will keep our meetings online.
- We need to deliver a patch to a former Impactus member who has already paid for it in the past.

## **8. Deciding date for the next board meeting**

08.08.2025, 13:00

## **9. Closing the Meeting:**

Meeting closed at 16:32
